

NATIONAL WHISTLEBLOWER DAY — 2019 —

DIRKSEN SENATE OFFICE BUILDING

WASHINGTON, D.C.

JULY 30 | 11 AM - 1:30 PM

HOSTED BY THE NATIONAL WHISTLEBLOWER CENTER

“Resolved, that it is the duty of all persons of the United States, as well as all other inhabitants thereof, to give the earliest information to Congress or any other proper authority of any misconduct, frauds, or misdemeanors committed by any persons in the service of these States, which may come to their knowledge.”

*First U.S. whistleblower law, unanimously passed on
July 30, 1778 by the Continental Congress*

— ABOUT —

National Whistleblower Day commemorates the bold vision of our Founding Fathers and their uncompromising support for whistleblowers.

This year marks the 241st anniversary of America's first whistleblower law, passed on July 30, 1778. The law was passed after ten whistleblowers reported wrongdoing and abuses committed by a superior officer in the Continental Navy.

Today, National Whistleblower Day celebrates those people who raise their voice in the name of combating fraud, corruption, and other crimes; their courage in the face of great adversity; and the strength of their conviction and dedication to the truth.
