Dear Senator Wyden:

National Whistleblower Center would like to thank you for your work and dedication in supporting National Whistleblower Appreciation Day. We commend you for introducing and supporting the passage of the Senate Resolution to recognize National Whistleblower Appreciation Day for the tenth year in a row. Your dedication to whistleblowers and whistleblower rights as a cornerstone of democracy cannot be overstated.

As we continue to advocate for whistleblowers, NWC recognizes that your work has encouraged recognition of whistleblowers as heroes as well as changing the narratives whistleblowers across America. By introducing and passing the resolution to make July 30, 2023, National Whistleblower Appreciation Day, you have created an environment where whistleblowers can safely blow the whistle and protect Americans and democracy.

NWC appreciates your continued support. Looking back, we appreciate your contributions as a founder of the Senate Whistleblower Caucus and the role you have played in major strides toward improved whistleblower protections. Thank you.

The United States is a pioneer in whistleblower protections thanks to advocates like you, and your work inspires democracies around the world to recognize whistleblowers and protect them.

As we celebrate National Whistleblower Day, we celebrate the whistleblowers that have made history by being brave and honest. We are so grateful that you join us in recognizing these courageous truth-tellers.

Sincerely,

Siri Nelson
